Expand your growing business network this summer while we gather for a great event at the 20th Annual Regatta at Lake Arthur. Our multi-chamber mixer and picnic will include an opportunity to engage with family and friends at one of the most exciting, collaborative events we'll host all year long – featuring a private tent exclusively for chamber members and friends.

What's the Regatta: Celebrating its 20th anniversary event year, the Regatta at Lake Arthur is the premiere, all ages, eco-recreational event in the region held at Moraine State Park (South Shore). Enjoy a full day of events, already scheduled: 5K Family Fun Run, Live Concerts & Karaoke, Children's Tent, SummersCool Classes, SUP Competition, Car Cruise, Dock Dogs Canine Aquatic Competition, Fireworks and much more!
