Grove City Area Chamber of Commerce Newsletter

A Word from our Executive Director Beth Black

June is here! As your Summer festivities, trips, and time with friends and family get underway, please remember to include our local businesses in your shopping, dining, and entertainment plans. Our area has much to offer and this can be a great time to show your support to our business community. Our Chamber website has a Member Directory that is easy to navigate and you can even search for businesses by name or by using a drop down box to search by a specific category. This can be helpful when you know just what you need but require a little help with contact details.

May was a busy month for our Chamber, so be sure to check out all the recaps and photos in this newsletter. We have also been busy getting ready for events in September like our 43rd Annual Chamber Day Golf Scramble and our annual Trade Show & Wellness Expo, along with our Wine Walk & More event in November. Check out the details for these events in this newsletter and/or the Chamber mailing arriving in your mailbox soon! We are also looking forward to having another Ribbon Cutting planned in June, and we are very excited to announce our next Chamber Travel Program trip destination for 2025! See all this and more below!

As a reminder, our Chamber renews memberships on an anniversary basis. Whether your membership has already renewed or will during a coming month, know that we truly appreciate your dedication to our Chamber and your continued support. We appreciate that our Members realize that being a part of a Chamber of Commerce is important. We offer our Chamber Members ways to grow, expand, and connect with each other. We are proud to be your Chamber of Commerce of choice and everything we do is with you in mind.

After a wonderful experience with our first Chamber Travel Program's trip to Italy in March 2024 with Chamber International (C I) Destinations, our Chamber is very excited to announce the location of our next trip is.....**IRELAND!** We leave March 18, 2025! Want to reserve your seat(s)?

C I Destinations has been organizing group travel opportunities for Chambers for many years. They offer the opportunity for Chambers to offer international travel for their Chamber Members (and their friends and family) to enjoy in a small group setting. Trips are set up to allow for 50% tour and 50% leisure time which allows for travelers to enjoy themselves and have plenty of time to explore on their own. Together, we can enjoy a fun trip filled with networking, sight-seeing, and so much more. It also serves as a non-dues generated source of income for the Chamber with a portion of each traveler's registration fee going back to the Chamber. With things like airfare, hotels, some meals, admissions & sightseeing, and a dedicated tour manager all included in the per person fee, this is an affordable way to travel with people you know and those you will get to know. We can't wait to travel together!

We have an informational Zoom meeting with C I Destinations planned for June 18th at 5:30 PM. This will provide more details about the trip, what will be seen, where we will stay, what is included, and so much more. It will also offer an opportunity for a Q&A with C I Destinations. If you are interested in this no obligation informational meeting, mark your calendar for June 18th at 5:30 PM. The Zoom link will be shared closer to the date via email blast and newsletter distribution lists.

Trade Show & Wellness Expo - Vendor Registration NOW OPEN!

Trade Show & Wellness Expo
Sponsored by:
AHN Grove City Hospital
Highmark Blue Cross Blue Shield

At Memorial Park
Saturday, September 28, 2024
Vendor Set Up: 8 AM - 9:30 AM
Event: 10 AM - 2 PM

Our Trade Show & Wellness Expo offers a great way for vendors to meet potential customers or reconnect with those they haven't seen in a while. Additionally, it gives the community a reason to get outdoors and enjoy our beautiful park while also learning about the different vendors AND having the opportunity to think about their health. By using the existing picnic pavilions, we are

able to keep everyone safe from any elements while also enjoying plenty of fresh air.

Like our traditional Trade Show that used to be held indoors in March, registration is open to all different types of businesses and organizations, not just those in the health and wellness industry. All vendors at our Trade Show & Wellness Expo are strongly encouraged to have interactive booths. For example, those who are health and wellness based can offer screenings like bone density, blood pressure, and so much more. Others can offer information, games, and tips, besides making great connections with potential customers. Our goal is to get attendees moving from vendor to vendor at the event and then moving in life. Vendor registration is now available! Space will be limited, so be sure to register before it is too late.

Interested in being a volunteer and helping out at the Trade Show & Wellness Expo? We would love to have you! Just send an email to info@shopgrovecity.com to let us know and we will be in touch! This is a great way to interact with the community!

Business Community Scholarship Fund Helps Local Seniors Pursue A Future In Business - Thank You Donors!

Every year, the Grove City Chamber collects donations from our members to fund a Business Community Scholarship. Scholarships are awarded to one or more recipients within the Grove

City Area School District who are graduating from either Grove City Area School District, Grove City Christian Academy, or a Home Education Program. Applicants must be planning to major in a business related field.

Together, our business community is able to award one or more scholarships to help local students as they begin a new path. It also helps our community to encourage our youth to follow their dreams and perhaps return to Grove City after their schooling is completed. All contributing businesses are acknowledged at the scholarship presentations. The number of scholarships awarded and the amount of each depends on the total amount of donations collected. Every dollar collected is distributed in scholarships.

For 2024, our Business Community Scholarship Fund collected \$3,500 in donations! This year, there were no applicants from Grove City Christian Academy or a Home Education Program but there were applicants from Grove City High School. Ribbon Cutting Celebrates New Community Mural At GCAHS&M

The Grove City Area Chamber of Commerce was honored to provide a Ribbon Cutting Ceremony for the Grove City Area Historical Society & Museum's new community mural on Friday, May 24, 2024, at Noon, to celebrate the culmination of a two-year collaboration with the Community Arts Program of Grove City High School. Pictured left to right: Grove City Area Chamber of Commerce Executive Director Beth Black; Grove City Borough's Mayor Randy Riddle; GCHS students Diana and Madison (mural co-designers and artists from GCHS Community Arts Program); Representing State Senator Michele Brooks - Melinda Gosser; Representing the Grove City Area Historical Society and Museum - Roger Flynn; and Grove City Area Chamber of Commerce President of the Board of Directors John Inman, Grove City College.

In addition, attendees heard from the Grove City Area Historical Society and Museum's Becky Sopher who detailed the mural project from the idea of doing a mural which originated from Roger Flynn, the hard work and dedication of the high school artists over a two year period to design and create the mural, the efforts of volunteers from the Grove City Area Historical Society & Museum and the community to assist with installation, and to the support shown from GCHS Art faculty Chris Bauer and Amanda DiAlesandro. Chris Bauer also spoke about the mural process, talked more about the Community Arts Program at Grove City High School, and introduced all four students (pictured below) who helped with the mural.

If you have not yet seen the mural, check out the below full-view photo of the mural, and then head over to the Grove City Area Historical Society & Museum at 111 College Avenue to see it in person and admire all the hard work of our local youth.

Benefit Of GC Chamber Membership - Discount Amusement Park Tickets

Membership with the Grove City Area Chamber of Commerce is filled with many benefits! One of the popular benefits for many years has been our Chamber's access to Discount Amusement Park Tickets which we make available to ALL Chamber Members and EVERY one of their employees and volunteers. Countless tickets have been purchased through this program over the years, enabling many people to be able to more affordably enjoy a day of fun with their family and friends. Our Chamber is pleased to continue to offer Discount Amusement Park Tickets for our Chamber family for the 2024 season.

A printable document with pertinent information, pricing, and access codes, is available via the button below. Please distribute this information about our Chamber's online access to discount amusement park tickets with all of your employees, coworkers, and/or volunteers within your business/organization but this should not be made available to the general public. Due to contractual obligations with the amusement parks, we are only permitted to share this with our Chamber Members and should be considered a benefit of being a Member of the Grove City Area Chamber of Commerce. Enjoy!

PLEASE REMEMBER, In 2023, the Pittsburgh Zoo & Aquarium eliminated the discount ticket program that our Chamber participated in for many years. We apologize, but we NO LONGER have discount tickets to the Erie Zoo OR Pittsburgh Zoo & Aquarium.

Grove City Chamber's Social Media & Blog Posts - May Highlights

The Grove City Chamber has been doing weekday themed posts to encourage awareness about our Chamber members and to support the community through the spread of positive thinking.

During the month of May, our Monday posts continued to highlight our website's Job Board and the listings our various Chamber Members have there as they are seeking employees. If you have

job postings you want included on our website job board, just email the info to us! Our website analytics show that this page is getting a lot of traffic, so we know people are checking the jobs out and paying attention to our social posts!

Our Positivity Tuesday and Give Back Thursday posts were both positive and encouraging during the month of May. Tuesdays offer a quote that help you to focus on positive things. Thursdays offered suggestions for ways to give back in the local community including: Pine Township Engine Company Open House, Helping AWARE's Emergency Housing Program (need for towels, wash cloths, and twin fitted/flat sheets), Supporting VFW 519 Auxiliary's American Flag Display, Ace fix-it Hardware's Million Flag Giveaway, and Grove City Auto Club Classic Croozers Annual Car Crooze & Show Rumble in the Streets (show's charity donations to Grove City Area Meals on Wheels and the Grove City Area United Way). We hope these mid-week posts left you feeling positive and encouraged.

Our weekly What To Do Wednesday suggestions give an idea of something to do and include supporting a Chamber Member (or local people) in the plan. Our What To Do Wednesday suggestions for May included: National Small Business Week (supporting our local small businesses), Mother's Day Sip & Shop Event (JMK Boutique), Eggs & Issues at AHN Grove City Hospital (updates about AHN Grove City Hospital & AHN Cancer Institute), Mural Ribbon Cutting at Grove City Area Historical Society & Museum, and The Guthrie Theatre Presents Whey Jennings (grandson of Waylon Jennings). These were all fun suggestions that we hope you took advantage of. We are excited to keep doing these and offering lots of fun ideas of things to do in our area. If you have ideas of what we should post for an upcoming What To Do Wednesday, just let us know!

Be sure and check out our social media accounts! We are posting on Facebook, Instagram and X, and to make things easy to remember we are @GCChamberPA on all social platforms. If you haven't already, join us as we socially engage now and in the coming days, weeks, months and years to keep everyone informed and maybe even entertained. We'd love to hear from you, so feel free to comment, like, and share on our posts, and know that we love seeing and sharing your content too! Let's make sure we are engaged with one another!
