WHS Manager

156 Hardinger Boulevard
Grove City, PA 16127

Are you ready to take your career to the next level? We are looking for a passionate and driven Site Manager to lead our warehouse operations to new heights. This role offers the opportunity to make a significant impact on our business while supporting your professional growth in a dynamic and fast-paced environment. **If interested, please email your resume to: juliamaryfessler@gmail.com with the Subject line "WHS Manager Position" or give me a call at: (814) 453-6587 Ext.1115.**

Why You'll Love This Role:

- **Lead a High-Performing Team:** Take charge of our operations, ensuring everything runs smoothly from receiving to shipping.
- **Drive Growth:** Use your strategic thinking to help grow the business. Get involved in marketing and sales, develop new accounts, and make important decisions that move us forward.
- **Make an Impact:** Play a vital role in upholding our standards for safety, cleanliness, and customer satisfaction. You'll have the autonomy to implement changes, solve problems, and enhance our operational processes.
- **Grow Professionally:** We support your growth. Train and motivate your team while also boosting your own skills through industry training and professional development opportunities.
- **Innovate and Improve:** We value your opinions. Suggest new technologies and methods to help streamline processes and promote efficiency.

Benefits:

- Health, Dental, and Vision offerings
- 401(k) + company match
- Paid time off + 10 Paid holidays
- **Your birthday is a PAID holiday!**

Requirements:

- **Leadership:** A visionary leader who motivates the team to drive results.
- **Experience:** 5+ years of logistics/warehouse management experience with a degree, or 10+ years without a degree.
- **Communication:** Excellent verbal and written communication skills to keep everything on track.
- **Innovation:** A problem-solver who's always looking for ways to improve and innovate.
- **Passion:** Someone who takes pride in their work and is eager to make an impact.

Qualifications:

- BA/BS in a related field or equivalent experience preferred.
- Proficiency in PC skills, including spreadsheets.
- Successful completion of employment verification, drug testing, and criminal background checks.
