

## **We are growing!**

Looking for Project Managers to serve our customers in North Western PA. Meadville, Conneaut Lake, Cochranon, Franklin, and surrounding communities.

## **Tired of boring jobs?**

Join Shell Roofing & Exteriors, a GAF MaterElite®, where work feels like hanging with family who actually enjoy what they do. We're growing fast and expanding in early 2026!

You'll be the face of our company: knocking doors, meeting awesome homeowners, inspecting roofs/exterior, guiding them through insurance & repairs, managing projects end-to-end, and closing deals with integrity. It's sales + project management + real customer care in one exciting role. Industry experience preferred, but encouraging all applicants. We provide full training, certifications, iPads, branded gear, and leadership that mentors your every step.

## **Who thrives here?**

- People who LOVE meeting new customers and aren't fazed by rejection
- Self-starters with strong work ethic, organization, and a competitive edge
- Confident communicators who balance empathy with hustle

Perks: Unlimited earning potential (your results = your income – six-figure potential is real!), supportive team culture, and the chance to build strong roofs + stronger relationships.

## **Field-based in Meadville and surrounding PA communities!**

### ***About Shell Roofing & Exteriors***

Headquartered in New Castle, PA, Shell Roofing & Exteriors is a trusted home exterior specialist known for quality craftsmanship and dependable service in roofing, siding, windows, and more. Formerly known as Shell Restoration, the company has proudly served local communities for 14 years.

Shell Roofing & Exteriors holds prestigious industry recognitions that reflect its commitment to excellence, including GAF Master Elite® contractor status, an honor earned by fewer than 2% of roofing companies nationwide. This designation allows the company to offer top-tier roofing products and industry-leading warranties. Additionally, Shell Roofing & Exteriors has been named to Qualified Remodeler's Top 500 list for three consecutive years (2023–2025), further solidifying its reputation as a leader in the industry.
